DECISION ON JOINT STIPULATION¹

Dorsey, Chief Special Master:

On March 2, 2015, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the “Vaccine Act”). Petitioner alleges that he suffers Guillain-Barre Syndrome (“GBS”) as a result of his December 27, 2012 influenza (“flu”) vaccination. Petition at 1; Stipulation, filed January 31, 2018, at ¶¶ 2, 4. Petitioner further alleges that he received his vaccination in the United States, that he suffered the effects of his injury for more than six months, and that “there has been no prior award or settlement of a civil action for damages on his behalf as a result of his condition.” Stipulation at ¶¶ 3-5; Petition at ¶¶ 37-39. “Respondent denies that the flu vaccine caused petitioner to suffer from GBS or any other injury or his current condition.” Stipulation at ¶ 6.

Nevertheless, on January 31, 2018, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. The undersigned

In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

finds the stipulation reasonable and adopts it as the decision of the Court in awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **the undersigned awards** the following compensation:

- a. **A lump sum of \$454,800.08, which amount represents compensation for first year life care expenses (\$29,800.08), and combined lost earnings, pain and suffering, and past unreimbursable expenses (\$425,000.00), in the form of a check payable to petitioner; and**
- b. **An amount sufficient to purchase the annuity contract described in paragraph 10 of the Stipulation, paid to the life insurance company from which the annuity contract will be purchased (“the Life Insurance Company”).**

Stipulation at ¶ 8.

The undersigned approves the requested amount for petitioner’s compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the clerk of the court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.

13. Petitioner and his attorney represent that they have identified to respondent all known sources of payment for items or services for which the Program is not primarily liable under 42 U.S.C. § 300aa-15(g), including State compensation programs, insurance policies, Federal or State health benefits programs (other than Title XIX of the Social Security Act (42 U.S.C. § 1396 et seq.)), or entities that provide health services on a pre-paid basis.

14. Payments made pursuant to paragraph 8 and any amounts awarded pursuant to paragraph 12 of this Stipulation will be made in accordance with 42 U.S.C. § 300aa-15(i), subject to the availability of sufficient statutory funds.

15. The parties and their attorneys further agree and stipulate that, except for any award for attorneys' fees and litigation costs, and past unreimbursable expenses, the money provided pursuant to this Stipulation either immediately or as part of the annuity contract, will be used solely for petitioner's benefit as contemplated by a strict construction of 42 U.S.C. §§ 300aa-15(a) and (d), and subject to the conditions of 42 U.S.C. §§ 300aa-15(g) and (h).

17. If petitioner should die prior to entry of judgment, this agreement shall be voidable upon proper notice to the Court on behalf of either or both of the parties.

18. If the special master fails to issue a decision in complete conformity with the terms of this Stipulation or if the Court of Federal Claims fails to enter judgment in conformity with a decision that is in complete conformity with the terms of this Stipulation, then the parties' settlement and this Stipulation shall be voidable at the sole discretion of either party.

19. This Stipulation expresses a full and complete negotiated settlement of liability and damages claimed under the National Childhood Vaccine Injury Act of 1986, as amended, except as otherwise noted in paragraph 12 above. There is absolutely no agreement on the part of the parties hereto to make any payment or to do any act or thing other than is herein expressly stated and clearly agreed to.
